Patriots Challenge Hits marks High Marks!

The weather could not have been better. The sky was blue the temperature was moderate and the wind was calm. For July, the weather couldn't have been better. Who would have thought there could be such controversy on the course? We will discuss this later....

OUR BIG WINNER

Our big winner this month was Mr. Paul Tierney. With a score of 46 points. His fate was not secured until the 18th hole, where with 45 Points, John Sullivan failed to score that extra point to let Paul take home the prize.

There were others who had high scores this month: Here were the top 5 Finishers:

| Place | Last Name | First Name | Score | Handicap |
|-----------------------|--------------|------------|-------|----------|
| 5 th Place | Vanderheiden | Gary | 41 | 24 |
| 4 th Place | Rubin | Mike | 43 | 32 |
| 3 rd Place | Moreno | Jamie | 45 | 10 |
| 2 nd Place | Sullivan | John | 45 | 25 |
| 1 st Place | Tierney | Paul | 46 | 35 |

BIG DOG and CLOSEST TO PIN

Gary Pulino took Double Honors (No this is not Tennis Doubles) He won both the Big Dog Long Drive and closest to the Pin with a distance of 11 feet 7 inches. Congratulations Gary!

PUTTING CHAMPION

Keith Ludeman, a guest of Jon Fraim won this month's Putting Competition with a remarkable 2 under par. This was no easy feat as most of the scores were well over PAR! Good Job Keith, we hope to see you back at another event.

GOAT BOY CONTROVERSY

Guest Eric Tornoe ponders his fate as Goat Boy...

Finally after much Controversy, this month's Goat-Boy was awarded his prize. There was much deliberation as the Goat Boy rules were in question. John Sullivan's Guest Eric Tornoe shot a 27

Brian Hogan this year's chairman, discussed the ruling with other Pen Pusher Board Members to get a ruling on whether Guest may be awarded the Pen Pusher Goat Boy award.

Finally after a heated discussion the correct ruling was made, verified by John Sullivan. That Guests **cannot** be awarded the Distinguished Goat Boy trophy. The reason is like our Champion award, their handicaps have not been validated so it is unfair to award this prize to the best or the worst player of the day. So this month's Goat Boy award, with a very impressive score of 28 goes to Larry Brooks. This score is one short of the record for highest goat boy score of 29 held by Dave Watts shot at Stoneleigh back in 2004.

9-HOLE 2- MAN TEAMS AWARD

This month was a 27 hole event. After our Stableford scoring 18 hole event we continued on to play another nine holes. Best Ball was the format. Parings were done with paring low and high handicap players, or members and guests. This month we had prizes for first and second places.

First Place went to Jaime Moreno & Orlando Meneses. Both Jaime and Orlando, were guests of Gary Pulino. For those that were not aware, Jaime Moreno is a past Star and legend of DC United Major League Soccer team. He was the third all-time leading scorer in major league soccer History! Some of the players in this month's event grabbed a few snapshots with this soccer legend!. Good News. Jaime joined the Pen-pushers last month, so he will be back for more action in the coming months...

Second Place in the 9 hole two man team went to our own legend, John Kravetz with Guest of Bob Caines, Shane Langon.

2nd Place 2 man Challenge Winners John Kravetz and Shane Langdon
